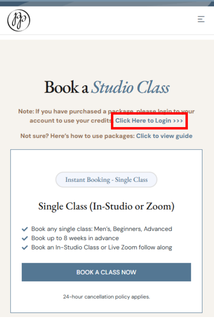
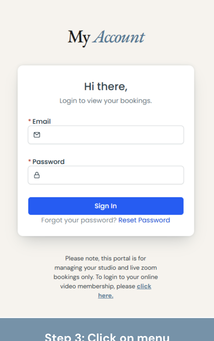
How to book classes using your *package*

Step 1: Click on Login



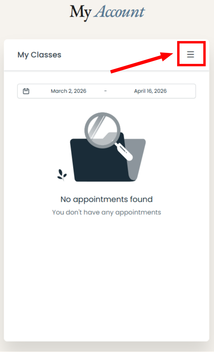
Step 2: Login

If you haven't logged in before, click on reset password. Otherwise, login.



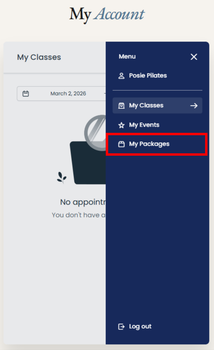
Step 3: Click on menu

To go to the packages section, click on the three lines.



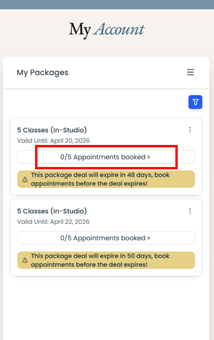
Step 4: Click on 'packages'

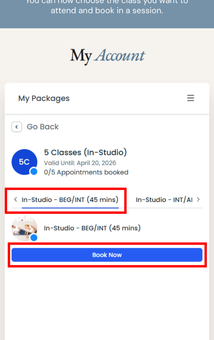
To find the packages you have on your account, click on 'Packages'.



Step 5: Click on a Package

Here you will see all your packages. Click the one you want to use.



Step 6: Book a Class


You can now choose the class you want to attend and book in a session.
